8th Grade Spanish - Jose Lopez Espinosa

	Gr 8 Fall
Comments	
Subject description	
<p>Eighth-grade Spanish continues with a review of the basic structures from fifth, sixth, and seventh grades with new vocabulary and grammar that serves to broaden the speaking, reading, listening, and writing of Spanish. It also provides students with an understanding and appreciation of cultures other than their own when the students compare and connect any Latinx culture and communities with the American culture. Students acquire a working knowledge of a wide variety of grammatical structures and continue to learn to speak Spanish with more accuracy, expanding their understanding of the language and improving fluency, pronunciation, rhythm, and intonation when speaking Spanish. The students graduate knowing how to use the present, past, and future of the indicative tenses, and eighth graders know how to identify the present subjunctive, commands, the present progressive, the conditional, the present perfect, and the imperfect tenses. Our eighth-grade collaboration happens with the eighth-grade humanities teacher, as well as with science, art, drama, and math classes.</p>	
Narrative 2024-2025	
<p>During this first part of the year, Adam has demonstrated growth through more frequent participation. Adam enjoys our weekly game-based approach, which has helped the entire class make progress in Spanish. Weekly writing activities are important to help practice the four skills, and Adam completes these even though they are not a preferred part of Spanish class. Adam is working to be more confident when speaking Spanish, which should increase through time and practice. Adam has shown progress when we do the interviews every week or every other week, demonstrating an understanding of all the questions asked in the interview. Adam is able to make medium and long sentences and will benefit from continued practice speaking in the tenses the class is mastering: the past tense, the present, and the future tenses of the indicative. The next steps for Adam are to continue to practice writing, practice answering questions in complete sentences, continue listening exercises, and read at least once a week at home.</p>
